# NAMASTEY NFT's MISSION

As a group of like-minded and forward-thinking individuals, Namastey NFT aims to empower and support emerging creators through an **artist driven community fund**.

Through this accumulated fund, we help new creators transition to web 3.0, mint their work and even buy an NFT!

We provide mentorship and access to those who need it, and are proud advocates of building an inclusive space through community!

Namastey NFT-Bengaluru 2022 intends to democratize the understanding of the world of NFTs by bringing together artists, collectors, developers, influencers and pioneers of the web 3.0 industry.
